

Remarks

Applicant submitted this application with the signatures of four of the six inventors but did not have the requisite Oath and Declaration of Calvin H. Pasvogel and Brenda K. Bricco at the time of filing. Applicant has been awaiting a Notice to File Missing Parts of the Application but has not received such a Notice from the Patent Office. Applicant notes that the Filing Receipt (copy attached) did not identify the inventors Calvin H. Pasvogel and Brenda K. Bricco. As identified on the application itself, the Transmittal Letter and the various other documents submitted by applicant at the time of filing, these inventors should have been identified on the Filing Receipt and applicant requests that they be so identified.

Applicant's representative can be reached at the number below if there are any questions or issues raised by this submission.

Respectfully Submitted,
